1. Make your online payments safer than ever!

Whether you're booking a trip to an exotic destination or ordering those last minute vacation must-haves, **MOTION CODE™** lets you easily and securely pay online. The dynamic CVV code built into the card automatically refreshes every hour – rendering stolen card information useless after a very short period and further securing online transactions.

2. Never struggle with finding WiFi again – even abroad!

2 Never struggle with finding WiFi again – even abroad!

No matter where you're travelling this summer, your mobile operator's secure, flexible and scalable **eSIM management platform** will simplify all your connectivity needs – and your life! With an eSIM-enabled smartphone, tablet or smartwatch, your connection is limitless.

3. Make your way to the right gate at the airport, seamlessly!

3 Make your way to the right gate at the airport, seamlessly!

Digging through your carryon for your passport, misplacing your boarding pass... we've all lived through these airport headaches. But this summer, get ready for a **revolutionized travel experience**. After enrolling your biometric data, you can **get from curbside to your aisle seat** –with a quick stop at duty free – within minutes. And if you are a United States citizen or permanent resident, do not forget to visit an **IdentoGO** center to enroll in **TSA PreCheck®** to speed through airport security when traveling domestically in the U.S.

4. Replace your car keys with a selfie!

Replace your **car keys** with a selfie!

Remember that long, snaking line in front of the airport rental car counter? This year you can skip it! With a quick selfie, you can prove your identity, get **digital car keys** into your phone and even start the engine. Get where you're going faster!

5. Prove your age with your smartphone!

Prove your **age** with your smartphone!

No wallet? No problem. With a **mobile ID**, you can effortlessly prove your identity as you hop from spot to spot all night long. Best of all? You can decide exactly what information to share. Prove you are of age without disclosing your birth date, confirm your passport number without handing it over – it's in your hands, literally.

6. Get on the fast track at your next concert!
