IDEMIA has been nominated for the five awards at the annual Supplier Awards 2020-2021. They are:

- Supplier of the Year
- Outstanding Quality & delivery Performance
- Commercial Excellence Award
- Best Account Management Performance Award
- Most Collaborative Supplier Award

Organized by **Global Sourcing and Supply Chain**. The awards will be conducted under the theme of Innovation, Collaboration and Excellence, i.e. ICE.

IDEMIA is very proud of our nominations from the GSSC and we thank them for their trust in us. At IDEMIA, we work tirelessly everyday to ensure that MTN is able to fulfil their mission of delivering secure mobile connectivity to all communities. This marks another step in the deepening of our long-term relationship with the MTN Group, which started in 2013. We look forward to an even closer collaboration, and supporting them towards their goal of becoming leading digital solutions for Africa's progress #GoodTogether.
