**Reston, Virginia.** August 1, 2025 – IDEMIA Public Security North America, the leading provider of secure and trusted biometric-based solutions, and an authorized enrollment provider for TSA PreCheck® since 2013, announced today as part of TSA's "Families on the Fly" campaign: a buy one, get one \$15 off discount on new TSA PreCheck enrollments for families through October 31.

As families gear up for back-to-school routines and fall travel, there's no better time to make airport security smoother and less stressful. TSA PreCheck enrollment provided by IDEMIA costs \$76.75 and covers five years of membership, offering significant value and long-term travel benefits. For a limited time, take advantage of our family-friendly offer: enroll with a family member and they'll receive \$15 off. With families larger than two, the promotion still applies, as families of four, for example, can save \$30 when everyone enrolls together.

*For over 12 years, we've proudly enrolled travelers in TSA PreCheck, the gold standard in airport efficiency. With families benefiting tremendously from TSA PreCheck, and personally witnessing the stress of traveling with family firsthand, we are honored to partner with TSA on this latest initiative. Together with TSA, we're making travel more accessible and less overwhelming for parents and kids alike.*

In addition to the discounted price of TSA PreCheck, TSA's "Families on the Fly" campaign aims to provide families with dedicated family lanes at select airports nationwide. This latest initiative also comes on the heels of TSA's "Serve with Honor, Travel with Ease" campaign, offering a \$25 discount on TSA PreCheck enrollment and renewals for currently serving military spouses.

Enrolled travelers enjoy dedicated TSA PreCheck security lanes at the airport and the convenience of keeping shoes, belts, and light jackets on, and 3-1-1 liquids and laptops in their bags. In addition, children 17 and under may accompany enrolled adults at the TSA PreCheck lanes when traveling on the same reservation, and the TSA PreCheck indicator appears on their boarding pass.

As a longstanding partner to the TSA, IDEMIA has processed nearly 24 million enrollments for the TSA PreCheck program to date. To learn more about IDEMIA's enrollment services for TSA PreCheck and other TSA enrollment programs, [click here](#).
