AUGUST 2020

IDEMIA PAYCHECK BANK BRANCHES TRANSFORMATION

In the wake of the digital transformation, banks are rethinking and repositioning their network of bank branches. Traditional bank branches in rural areas are being replaced by "store-like" branches, often located on busy, urban high streets.

The major asset of the bank branch, the trust created by a face-2-face meeting, is combined with the latest technologies at key locations

COMBINING HUMAN TOUCH WITH HIGH TECH

34%

A third of UK bank branches were closed between 2015 - 2019¹
