Barclays Center and IDEMIA have aligned to bring Identogo to the Brooklyn venue, which is home to the NBA's Brooklyn Nets, NHL's New York Islanders, world-class concerts, championship boxing, family events and more.

Identogo, which is the enrollment provider for the TSA PreCheck® Application Program, will offer enrollment into the program from the retail location within the venue. IDEMIA will open an Identogo retail location in Barclays Center, on the Atlantic Avenue side of the venue, which will be accessible from the street as well as from the arena's main concourse. Fans who are customers of Identogo will also be able to utilize a dedicated "fast pass" entrance into the building.

Barclays Center and IDEMIA will also work together on future security enhancements at the venue.

We are pleased to partner with IDEMIA to bring its Identogo services to Barclays Center. Identogo will further provide value to our fans that goes above and beyond the traditional event experience.

Brett Yormark, CEO of Brooklyn Sports & Entertainment

Stadium and arena security are important to all of our communities. Our value-added solutions will offer enhancements to both security as well as fan experience at these types of venues. We are excited that Barclays Center is the first arena to have a permanent Identogo retail location. We look forward to making sure all of the fans attending events at the venue and in the surrounding community enroll in the TSA PreCheck® program to take advantage of its benefits – both at the Barclays Center and at 200 airports around the U.S.
