

## Mobile World Congress 2017

MOBILE WORLD CONGRESS 2017 – 27 February – 2 March 2017 in Barcelona (Spain), with more than 100,000 attendees, MWC is the world's largest event gathering the mobile industry, organized by the GSMA. With a 300 sqm booth dedicated to OT's latest innovation, OT ensures that end-users enjoy the full benefits of Mobility while it offers them a stress-free experience each time they connect, authenticate or pay.

# CONNECTIVITY

POSTED ON 03.01.17

The graphic features a large, stylized blue letter 'M' in the center. Inside the 'M', the words 'THE' and 'COMPANY' are written vertically in white. The 'M' is surrounded by numerous smaller, colorful 'M' characters in various shades (blue, yellow, red, purple, black). At the top center, the Oberthur Technologies logo is displayed. Below the 'M', there is a blue banner that reads 'COME & MEET US'. Underneath that is the GSMA Mobile World Congress logo. At the bottom, a white box contains the event details: '27 FEBRUARY > 2 MARCH 2017', 'FIRA GRAN VIA | BARCELONA | SPAIN', and 'STAND 6H30 | HALL 6'.
