IDEMIA™, the global leader in Augmented Identity, announced today that it now offers a Financial Industry Regulatory Authority (FINRA) Fingerprint Service to meet stringent fingerprint background checks mandated by the industry. For over a decade, IDEMIA has supplied custom in-house FINRA fingerprint channeling solutions to Fortune 500 clients. With today's announcement, any financial institution may now utilize IDEMIA's FINRA service at one of over 500 select **IdentoGO** Enrollment Centers throughout the country. IDEMIA's FINRA Fingerprint Service further solidifies the company's position as an industry leader and trusted partner to financial institutions.

Starting today, industry professionals can schedule a convenient, 10-minute service appointment online at <https://www.identogo.com/services/live-scan-fingerprinting> or toll-free at 877-783-4187 for just \$30 per enrollment. Fingerprints are electronically submitted via a FINRA certified secure channel in seconds, ensuring each transaction is convenient, secure, expedient and economical. IDEMIA optionally supports a no-cost integration with brokerage hiring systems to automate initiation of enrollments, check enrollment status and process reports.

Throughout the 20 years that we have supported financial institutions, we've seen firsthand the need for balancing compliance and convenience. With our FINRA Fingerprint Service, we have created a modern, easy-to-use service that enables customers to conveniently schedule fingerprinting appointments while meeting all compliance standards.
